1 Sq. Mtr. = 10.764 Sq. Ft.

Note: These are the general standard sizes of the units. There are certain other units with different areas, as for details thereof, may be sought from the company.

Site Plan

The Master Project consists of different Phases and each Phase is an individual Project and the persons interested are advised to seek confirmation of the Phase/Project of their respective Units at the time of booking/allotment. Further, the instant planning of the Project is one of the options by the Architect/s. The interested persons are advised to seek confirmation thereof at the time of booking and should sign the confirmation of selected Project in the application form. Few Services of the Project are to be co-shared with other Phases/Projects on pro rata basis without individual rights on the shared services.
