Nestled in the lush green and posh environs of New Chandigarh, Mulberry villas are not just about wide open spaces. They are about indulging every moment, redefining your lifestyle and complementing your finer taste. So while your Mulberry Villa will be built in 300 sq. yds of space, it covers a whole new world of high-end living experience. Called nature's abode, each Mulberry Villa is embraced by the arresting Shivaliks and 5000 acres (approx.) of reserved greens all around. So if you think you have experienced living in a luxury villa, there's a surprise for you round the corner. From nature itself.
