LIVELY LUXE LUCKNOW

Lucknow, the seat of Asaf ud Daulah and Wajid Ali Shah, two inestimable patrons of art and culture who gave royalty a new meaning with their pursuit and encouragement of performing arts; who transformed the way kings behaved with their delicately perfumed artistry of tehzeeb that infuses the soul of the city to this day, is a thriving, bustling, city. It can be termed the cultural capital of India, the soul of dance and music, the gastronomic epicenter and a vibrant commercial centre.
