## Independent Auditor's Report

**To the Members of Bhanu Infrabuild Private Limited**

### Report on the Consolidated Ind AS Financial Statements

We have audited the accompanying consolidated Ind AS Financial Statements of **Bhanu Infrabuild Private Limited** ("the Holding Company"), and its subsidiaries (collectively referred to as "the Group") comprising of the consolidated Balance Sheet as at 31<sup>st</sup> March 2018, the consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Ind AS Financial Statements").

### Management's Responsibility for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated Ind AS financial statements in terms of the requirements of the Companies Act,2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) amendment Rules, 2016. The respective Board of Directors of the Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

## **Auditor's Responsibility**

Our responsibility is to express an opinion on these consolidated Ind AS financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated Ind AS financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

## **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2018, and their consolidated profit (including other comprehensive income), their consolidated cash flows and consolidated changes in equity for the year ended on that date.

## **Other Matters**

- (a) We did not audit the financial statements and other financial information in respect of 3 subsidiary companies, included in the Statement, whose Ind AS financial statements include total assets of Rs. 2,81,740.61 as at March 31, 2018, total revenue ( including other income) of Rs. 1,34,200 for the year ended March 31, 2018 and net cash flows amounting to Rs. (22,445.85) for the year ended on that date , as considered in the consolidated Ind AS financial statements. These financial statements have been audited by other auditors whose report(s) have been furnished to us by the management and our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of the other auditors.

(b) The Ind AS consolidated financial statements of the Company for the year ended March 31, 2017, included in these consolidated Ind AS financial statements, have been audited by the predecessor auditor who expressed an unmodified on those statements vide report dated May 24, 2017.

Our reports on the consolidated Ind AS Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of above matter with respect to our reliance on the work done by and the reports of the other auditors.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated Ind AS financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books.
- (c) The consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements.
- (d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) amendment Rules, 2016.
- (e) On the basis of the written representations received from the directors of the Holding Company as on 31<sup>st</sup> March, 2018 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Group Companies incorporated in India is disqualified as on 31<sup>st</sup> March, 2018 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the group and the operating effectiveness of such controls, refer to our separate Report in "Annexure" and
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i) The consolidated Ind AS financial statements disclose the impact of pending litigations on the consolidated financial position of the Group— Refer note no.25 to the consolidated Ind AS financial statements.

- ii) Provision has been made in the consolidated Ind AS financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts.
- iii) There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its Subsidiary Companies incorporated in India.

**Annexure to the Independent Auditors' Report - 31 March 2018 on the Consolidated Ind AS Financial Statements (Referred to in our report of even date)**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

In conjunction with our audit of the consolidated Ind AS Financial Statements of **Bhanu Infrabuild Private Limited** ("the Holding Company") as of and for the year ended 31<sup>st</sup> March 2018, we have audited the internal financial controls over financial reporting of the Holding Company, and its subsidiary companies which are companies incorporated in India as of that date.

**Management's Responsibility for Internal Financial Controls**

The respective Board of Directors of the Holding company, and its subsidiary companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Group has, in all material respects, an adequate internal financial controls system over financial reporting but requires more strengthening and such internal financial controls over financial reporting were operating effectively as at 31st March 2018, based on the internal control over financial reporting criteria established by the Group consisting the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### **Other Matters**

Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to standalone financial statements of 3 wholly owned subsidiary companies, which are companies incorporated in India, is based on the financial statements as provided by other auditors.

- A Significant Accounting Policies :**
- 1 **Corporate information**  
Bhanu Infrabuild Private Limited ("The Company") and its subsidiaries (collectively referred to as "Group") are mainly into the business of real estate Properties for residential, commercial and retail purposes. The registered office of the Company is at 10, Local Shopping Complex, Kalkaji, New Delhi-110019.
  - 2 **Significant Accounting Policies :**
- (i) **Basis of Preparation**  
The financial statements of the Group have been prepared in accordance with the Companies (Indian Accounting Standards) Rules 2015 ('Ind AS') issued by Ministry of Corporate Affairs ('MCA'). The Group has uniformly applied the accounting policies during the period presented. Accounts for the year ended March 31 2017 were audited by previous auditors Doogar & Associates.
- (ii) **Basis of consolidation**  
The consolidated financial statements relate to Bhanu Infrabuild Private Limited ('the Company') and its subsidiary companies. The consolidated financial statements have been prepared on the following basis:  
 (a) The financial statements of the Company and its subsidiaries are combined on a line by line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows, after fully eliminating intra-group balances and intra-group transactions.  
 (b) Profits or losses resulting from intra-group transactions that are recognised in assets, such as inventory and property, plant & equipment, are eliminated in full.  
 (c) Where the cost of the investment is higher/lower than the share of equity in the subsidiary at the time of acquisition, the resulting difference is disclosed as goodwill/capital reserve in the investment schedule. The said Goodwill is not amortised, however, it is tested for impairment at each Balance Sheet date and the impairment loss, if any, is provided for in the consolidated statement of profit and loss.  
 (d) Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary.  
 (e) The difference between the proceeds from disposal of investment in subsidiaries and the carrying amount of its assets less liabilities as on the date of disposal is recognised in the Consolidated Statement of Profit and Loss being the profit or loss on disposal of investment in subsidiary.  
 (f) Non Controlling Interest's share of profit / loss of consolidated subsidiaries for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the Company.  
 (g) Non Controlling Interest's share of net assets of consolidated subsidiaries is identified and presented in the Consolidated Balance Sheet separate from liabilities and the equity of the Company's shareholders.
- (iii) **Revenue Recognition**  
Revenue is measured at the fair value of the consideration received or receivable for goods supplied and services rendered, net of returns and discounts to customers.
- (a) **Real estate projects**  
Revenue from real estate projects is recognized on the 'Percentage of Completion method' (POC) of accounting.  
Revenue under the POC method is recognized on the basis of percentage of actual costs incurred, including land, construction and development cost of projects under execution subject, to such actual cost being 30 percent or more of the total estimated cost of projects.  
The stage of completion under the POC method is measured on the basis of percentage that actual costs incurred on real estate projects including land, construction and development cost bears to the total estimated cost of the project.  
Effective from 1st April 2012, in accordance with the "Guidance Note on Accounting for Real Estate Transactions (Revised) 2012" (referred to as "Guidance Note"), all projects commencing on or after the said date or projects where revenue is recognised for the first time on or after the said date, Revenue from real estate projects has been recognised on Percentage of Completion (POC) method provided the following conditions are met:  
 (1) All critical approvals necessary for commencement of the project have been obtained.  
 (2) The expenditure incurred on construction and development is not less than 25% of the total estimated construction and development cost.  
 (3) At least 25% of the saleable project area is secured by way of contracts or agreements with buyers.  
 (4) At least 10% of the total revenue as per the agreement of sale or any other legally enforceable documents are realised at the reporting date in respect of each of the contracts and it is reasonable to expect that the parties to such contracts will comply with the payment terms as defined in the respective contracts.  
The estimates of the projected revenues, projected profits, projected costs, cost to completion and the foreseeable losses are reviewed periodically by the management and any effect of changes in estimates is recognized in the period in which such changes are determined.  
Unbilled revenue disclosed under other current financial assets represents revenue recognized based on percentage of completion method over and above amount due as per payment plan agreed with the customers. Amount received from customers which exceeds the cost and recognized profits to date on projects in progress, is disclosed as advance received from customers under other current liabilities. Any billed amount against which revenue is recognised but amount not collected is disclosed under trade receivables.
- (b) **Interest Income**  
Interest due on delayed payments by customers is accounted on accrual basis.
- (c) **Sale of completed real estate projects**  
Revenue from sale of completed real estate projects, land, development rights and sale/transfer of rights in agreements are recognised in the financial year in which agreements of such sales are executed and there is no uncertainty about ultimate collections.
- (d) **Income from trading sales**  
Revenue from trading activities is accounted for on accrual basis.
- (iv) **Borrowing Costs**  
Borrowing cost that are directly attributable to the acquisition or construction of a qualifying asset (including real estate projects) are considered as part of the cost of the asset/project. All other borrowing costs are treated as period cost and charged to the statement of profit and loss in the year in which incurred.
- (v) **Property, Plant and Equipment**  
**Recognition and initial measurement**  
Properties plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group. All other repair and maintenance costs are recognised in statement of profit or loss as incurred.  
**Subsequent measurement (depreciation and useful lives)**  
Depreciation on Property, Plant and Equipment is provided on written down value method based on the useful life of the asset as specified in Schedule II to the Companies Act, 2013. The management estimates the useful life of the assets as prescribed in Schedule II to the Companies Act, 2013 except in the case of steel shuttering and scaffolding, whose life is estimated as five years considering obsolescence.  
**De-recognition**  
An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognized.

✓  
File

- (vi) **Intangible Assets**  
**Recognition and initial measurement**  
Intangible assets are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.  
**Subsequent measurement (amortization and useful lives)**  
Intangible assets comprising of ERP & other computer software are stated at cost of acquisition less accumulated amortization and are amortised over a period of four years on straight line method.
- (vii) **Impairment of Non Financial Assets**  
The Group assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Group estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash-generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss.
- (viii) **Financial Instruments**  
(a) **Financial assets**  
**Initial recognition and measurement**  
Financial assets are recognised when the Group becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs  
**Subsequent measurement**  
(1) Financial instruments at amortised cost – the financial instrument is measured at the amortised cost if both the following conditions are met:  
(a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and  
(b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.  
After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. All other debt instruments are measured at Fair Value through other comprehensive income or Fair value through profit and loss based on Group's business model.  
**De-recognition of financial assets**  
A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or the Group has transferred its rights to receive cash flows from the asset.
- (b) **Financial liabilities**  
**Initial recognition and measurement**  
All financial liabilities are recognised initially at fair value and transaction cost that are attributable to the acquisition of the financial liabilities are also adjusted. These liabilities are classified as amortised cost.  
**Subsequent measurement**  
Subsequent to initial recognition, these liabilities are measured at amortised cost using the effective interest method. These liabilities include borrowings and deposits.  
**De-recognition of financial liabilities**  
A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or on the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.
- (c) **Financial guarantee contracts**  
Financial guarantee contracts are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified party fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of expected loss allowance determined as per impairment requirements of Ind-AS 109 and the amount recognised less cumulative amortization.
- (d) **Impairment of financial assets**  
The Group assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 33 details how the Group determines whether there has been a significant increase in credit risk.  
For trade receivables only, the Group applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.
- (e) **Offsetting of financial instruments**  
Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.
- (ix) **Inventories and Projects in progress**  
(a) **Inventories**  
(i) Building material and consumable stores are valued at lower of cost and net realisable value. Cost is determined on the basis of the 'First in First out' method.  
(ii) Land is valued at lower of cost and net realisable value. Cost is determined on average method. Cost includes cost of acquisition and all related costs.  
(iii) Construction work in progress is valued at lower of cost or net realisable value. Cost includes cost of materials, services and other related overheads related to project under construction.
- (b) **Projects in progress**  
Projects in progress are valued at lower of cost or net realisable value. Cost includes cost of land, development rights, materials, construction, services, borrowing costs and other overheads relating to projects.
- (x) **Foreign currency translation**  
(a) **Functional and presentation currency**  
The financial statements are presented in currency INR, which is also the functional currency of the Group.  
(b) **Foreign currency transactions and balances**  
i. Foreign currency transactions are recorded at exchange rates prevailing on the date of respective transactions.  
ii. Financial assets and financial liabilities in foreign currencies existing at balance sheet date are translated at year-end rates.  
iii. Foreign currency translation differences related to acquisition of imported fixed assets are adjusted in the carrying amount of the related fixed assets. All other foreign currency gains and losses are recognized in the statement of profit and loss.

✓

✓

**(xi) Provisions, contingent assets and contingent liabilities**

A provision is recognized when:

- the Group has a present obligation as a result of a past event;
- it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- a reliable estimate can be made of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

**(xii) Earnings per share**

Basic earnings per share are calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity share.

**(xiii) Operating lease**

Lease arrangements where the risk and rewards incident to ownership of an asset substantially vest with the lessor are recognized as operating lease. Lease rent under operating lease are charged to statement of profit and loss on a straight line basis over the lease term except where scheduled increase in rent compensates the lessor for expected inflationary costs.

**(xiv) Income Taxes**

i. Provision for current tax is made based on the tax payable under the Income Tax Act, 1961. Current income tax relating to items recognised outside profit and loss is recognised outside profit and loss (either in other comprehensive income or in equity)

ii. Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

**(xv) Cash and Cash Equivalents**

Cash and Cash equivalents in the balance sheet comprises cash at bank and cash on hand, demand deposits and short term deposits which are subject to an insignificant change in value.

The amendment to Ind AS-7 requires entities to provide disclosure of change in the liabilities arising from financing activities, including both changes arising from cash flows and non cash changes (such as foreign exchange gain or loss). The Company has provided information for both current and comparative period in cash flow statement.

**(xvi) Significant management judgement in applying accounting policies and estimation of uncertainty**

**Significant management judgements**

When preparing the financial statements, management undertakes a number of judgements, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses.

The following are significant management judgements in applying the accounting policies of the Group that have the most significant effect on the financial statements.

**(a) Revenue**

The Group recognises revenue using the percentage of completion method. This requires estimation of the projected revenues, projected profits, projected costs, cost to completion and the foreseeable losses. These are reviewed periodically by the management and any effect of changes in estimates is recognized in the period in which such changes are determined.

**(b) Recognition of deferred tax assets**

The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Group's future taxable income against which the deferred tax assets can be utilized.

**Estimation of uncertainty**

**(a) Recoverability of advances/receivables**

At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit loss on outstanding receivables and advances.

**(b) Defined benefit obligation (DBO)**

Management's estimate of the DBO is based on a number of critical underlying assumptions such as standard rates of inflation, medical cost trends, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

**(c) Provisions**

At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Group assesses the requirement of provisions against the outstanding warranties and guarantees. However the actual future outcome may be different from this judgement.

**(d) Inventories**

Inventory is stated at the lower of cost or net realisable value (NRV).

NRV for completed inventory is assessed including but not limited to market conditions and prices existing at the reporting date and is determined by the Company based on net amount that it expects to realise from the sale of inventory in the ordinary course of business

NRV in respect of inventories under construction is assessed with reference to market prices (by referring to expected or recent selling price) at the reporting date less estimated costs to complete the construction, and estimated cost necessary to make the sale. The costs to complete the construction are estimated by management

**(e) Fair value measurements**

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available) and non-financial assets. This involves developing estimates and assumptions consistent with how market participants would price the instrument / assets. Management bases its assumptions on observable data as far as possible but this may not always be available. In that case Management uses the best relevant information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date

**(f) Classification of assets and liabilities into current and non-current**

The Management classifies assets and liabilities into current and non-current categories based on its operating cycle.

Two handwritten signatures in blue ink. One is a stylized "R" and the other is a more fluid signature, likely belonging to the managing partners.

For short term financial assets and liabilities carried at amortized cost. the carrying value is reasonable approximation of fair value.

*[Handwritten signatures]*

### Note 33 : RISK MANAGEMENT

The Group's activities expose it to market risk, liquidity risk and credit risk. The management has the overall responsibility for the establishment and oversight of the Group's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

#### Credit risk

Credit risk is the risk that a counterparty fails to discharge its obligation to the Group. The Group's exposure to credit risk is influenced mainly by cash and cash equivalents, trade receivables and financial assets measured at amortised cost. The Group continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls.

#### Credit risk management

##### Credit risk rating

The Group assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets.

A: Low credit risk on financial reporting date

B: Moderate credit risk

C: High credit risk

The Group provides for expected credit loss based on the following:

Credit risk	Basis of categorisation	Provision for expected credit loss
Low credit risk	Cash and cash equivalents, other bank balances	12 month expected credit loss
Moderate credit risk	Trade receivables and other financial assets	Life time expected credit loss or 12 month expected credit loss

Based on business environment in which the Group operates, a default on a financial asset is considered when the counter party fails to make payments within the agreed time period as per contract. Loss rates reflecting defaults are based on actual credit loss experience and considering differences between current and historical economic conditions.

Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or a litigation decided against the Group. The Group continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognised in the statement of profit and loss.

Credit rating	Particulars	(Amount in Rupees )	
		As at 31 March 2018	As at 31 March 2017
A: Low credit risk	Cash and cash equivalents	7,839,460.03	14,749,122.67
B: Moderate credit risk	Trade receivables and other financial assets	15,788,848.44	30,459,751.46

#### Liquidity risk

Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Group's approach to managing liquidity is to ensure as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due.

Management monitors rolling forecasts of the liquidity position and cash and cash equivalents on the basis of expected cash flows. The Group takes into account the liquidity of the market in which the entity operates.

#### Maturities of financial liabilities

The tables below analyse the financial liabilities into relevant maturity pattern based on their contractual maturities.

Particulars	Less than 1 year	1 - 2 years	2 - 3 years	3 - 6 years	More than 6 years	Total	Carrying Amount
As at 31 March 2018

### Note 34 : CAPITAL MANAGEMENT POLICIES

#### (a) Capital Management

The Group's capital management objectives are to ensure the Group's ability to continue as a going concern as well as to provide an adequate return to shareholders by pricing products and services commensurately with the level of risk.

The Group monitors capital on the basis of the carrying amount of equity plus its subordinated loan, less cash and cash equivalents as presented on the face of the statement of financial position and cash flow hedges recognised in other comprehensive income.

**Note 38: STANDARDS ISSUED BUT NOT YET EFFECTIVE**

The amendments to standards that are issued, but not yet effective, up to the date of issuance of the Company's financial statements are disclosed below. The Company intends to adopt these standards, if applicable, when they become effective.

The Ministry of Corporate Affairs (MCA) has issued the Companies (Indian Accounting Standards) Amendment Rules, 2017 and Companies (India Accounting Standards) Amendments Rules, 2018 amending the following standards.

Ind AS 115 Revenue from Contracts with Customer.

Ind AS 115 was issued on 29 March 2018 and establishes a five-step model to account for revenue arising from contracts with customers. Under Ind AS 115, revenue is recognized at an amount that reflects that consideration to which an entity expects to be entitled in exchange for transferring goods or service to a customer.

The new revenue standard will supersede all current revenue recognition requirements under Ind AS and the guidance note on real estate issued by ICAI. Ind AS 115 is applicable to the Company for annual periods beginning on or after 1<sup>st</sup> April, 2018.

The management of the Company believes that the contract satisfies the conditions of Ind AS 115 for recognition of revenue over time. Hence the effect of applying Ind AS 115 on the financial statements will be immaterial.

**Note 39: The Previous year figures have been regrouped/ reclassified, wherever necessary, to make them comparable with current year figures**

The notes referred to above form an integral part of financial statements.
